POP'S HOUSE FAMILY HISTORY

Dorothy Kraus married John Herrold in 1941.
They met when John worked for the
Pennsylvania Railroad and Dorothy worked at
what we know as Shirtz Grocery. They raised
their family at 8101 Margaretta Rd. Dorothy
passed away in 1986 and John, lovingly referred
to as "POP", passed away in 2005. The family
home was for sale for a year and a half. John's
daughter Joan Carter and granddaughter Ruth
Carter, who are very close decided to go into
business together in order to keep the home in
the family. "It would be very hard to see
someone else's car in the driveway." The girls
decided to accept consignments of antiques,
collectibles and homemade crafts, as a way of
helping others to sell their wares and to help fill
the store quickly. The store was opened on
December 8th, 2006 which would have been
Pop's 90th birthday.
